TRIP DESCRIPTION

Imagine swimming into the heart of the iconic Benagil Cave, surrounded by golden cliffs, clear turquoise waters, and sea caves accessible only to those brave enough to dive in.

This is the Algarve at its rawest and most beautiful. From the dramatic coastlines of Sagres and Lagos to the hidden gems of Portimão and Carvoeiro, our swim camp seamlessly combines breathtaking clifftop walks with immersive coastal swims. You will experience Praia da Marinha from the water to see why it is consistently named one of Europe's finest beaches, swimming past sea stacks, through natural tunnels, and into secret marine spots completely unreachable by land, all with expert, specialized safety support leading the way. Beyond the ocean, you will relax in a charming local fishing village, soak up coastal traditions, and enjoy pristine, secluded beaches.

To top it all off, this year's camp sits right between two major events in the region. You can start your trip early with Afro Nation for festival vibes just days before we dive in, or extend your stay after to catch the high octane thrill of Formula 1 at the Algarve International Circuit. It is the ultimate excuse to turn a world class swim camp into an unforgettable Portuguese summer.

ITINERARY

DAY 1 | Welcome & Acclimatization Swim

We will meet you at Faro International Airport (FAO), where your transfer will be waiting to greet you. From there, enjoy a smooth and scenic drive of around 45 to 50 minutes through the heart of the region to our hotel in Portimão for check in. Once settled, we'll gather for a relaxed welcome lunch with your fellow swimmers, followed by an introductory briefing to go over safety protocols, ocean conditions, and the exciting week ahead. In the afternoon, we will head straight to the beach for our acclimatization swim in the clear, calm waters of the Algarve. It is the perfect opportunity to adjust to the sea temperature, test your equipment, and enjoy your very first strokes along this incredible coastline.

DAY 2 | From Salema To The Martinhal Islets

The first full day of our Algarve adventure takes us to the wild beauty of the western coast. Setting off by motorboat from Praia da Salema, we will head west to explore hidden sea caves, dramatic secret grottoes, and pristine coastal stretches on our way toward the iconic Martinhal Islets. After completing our swim around these striking rock formations, we will head back on board for a traditional Portuguese lunch. In the afternoon, we will take a short coastal walk around Ponta da Piedade to soak in the incredible ocean panoramas and marvel at the breathtaking scenery that makes this region so unforgettable.

DAY 3 | The Golden Cliffs & Sea Caves Of Portimão

After breakfast, we'll start exploring the coast of Portimão. We will leave the Portimão Marina in a small boat to our starting point, Praia da Senhora da Rocha. From there, we will swim around breathtaking rock formations, including the Arco de Albandeira. We will swim through inland caves which has under cliff access to the beaches. After a stunning pass under a double sea arch we arrive at Praia de Marinha where we will board our support boat again. Returning to the city of Portimão, we will visit the highlight of this tour, the famous “Cathedral” or Cave of Benagil, which we will only visit by boat. After tasting the local gastronomy, we will walk by Algar Seco, along the Seven Hanging Valleys cliff path.

DAY 4 | The Rocky Coast Of Ponta João De Arens

Our morning begins in Portimão as we set out to swim along one of the Algarve's best-kept secrets: the pristine headland of Ponta João de Arens. This secluded stretch of coastline is defined by towering limestone cliffs, hidden coves, and dramatic sea stacks scattered throughout the turquoise water. You will navigate around these rocky islets, swimming through natural ocean channels while admiring the rugged beauty of the coastal landscape from the sea. After completing our morning session, we will gather for a leisurely meal to savor authentic local flavors at Alvor. The rest of the afternoon is yours to unwind, soak up the sun, and fully recharge as we prepare for the final swim adventure of the trip.

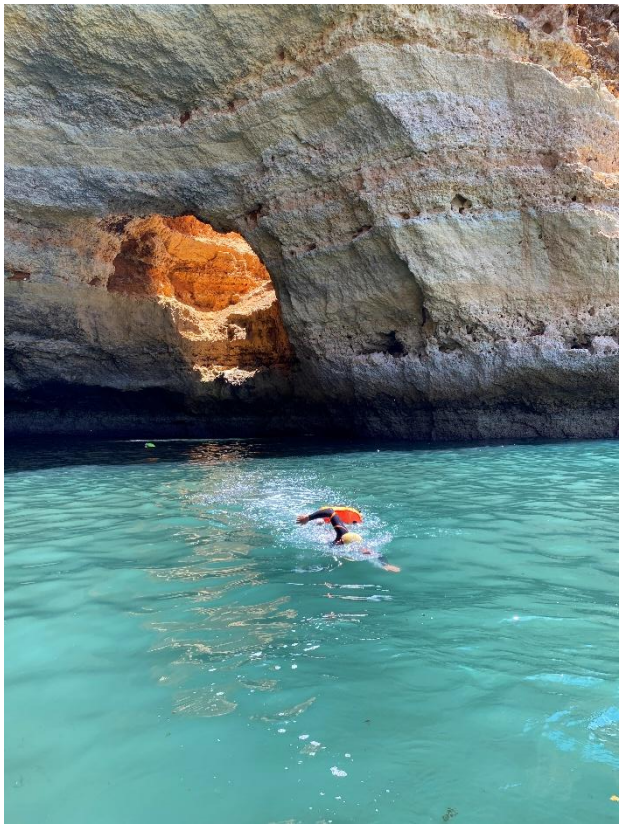

DAY 5 | The Wild Frontier Of Sagres & Cabo De São Vicente

We conclude our expedition in Sagres, a legendary fishing village situated at the edge of the European continent. This final swim takes us directly beneath the dramatic, towering cliffs of the headland, swimming right between the iconic Fortress of Sagres and the lighthouse of Cabo de São Vicente. You will navigate these powerful waters alongside sheer rock walls, experiencing one of the most awe-inspiring stretches of coastline in the world. After our swim, we will celebrate the end of our journey with a delicious lunch of fish, locally caught fish. Known historically as the "End of the World," this dramatic headland features towering cliffs rising straight out of the Atlantic and one of Europe's most powerful lighthouses. It is the perfect, awe-inspiring setting to wrap up an unforgettable week of open-water swimming.

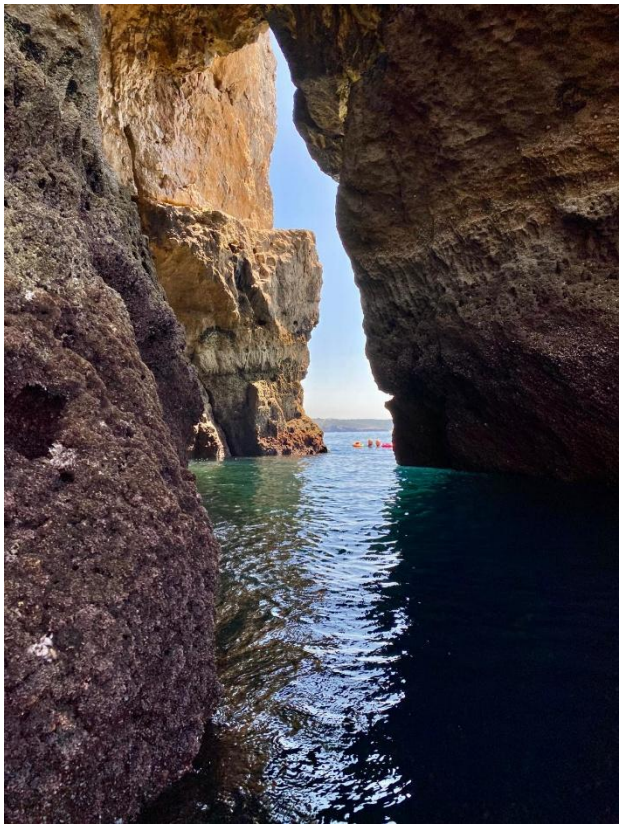

DAY 6 | Departure: Farewell To The Algarve

As our incredible week comes to an end, we bid a fond farewell to everyone taking their flights back home. A transfer service will depart from the hotel to Faro International Airport, fully scheduled according to the group's overall arrival and departure schedule to ensure a smooth and seamless journey.
